I added in where I could find an applicable WAR entry or found docket in WestLaw (if he cited it in the chart). If the dates you ask for are still blank, couldn't find it in the WAR or Westlaw. So, I see one remaining. Bruce, is this critical enough to contact the OGC And DOJ lawyers on the one that remains?

Lucinda, you would know more than I if the updates make sense and are correct, if they are , I can modify the table with the updates I provided in responses to your comment bubbles.

I don't have answers for one of them:

TX Regional Haze Visibility Transport CD

D.C. District (Judge CKK) Eileen McDonough DOJ

**Thank you, Lynde. I had accepted the track changes from the group and noted where we needed different dates – which just are Josh's.**

Hello. I was able to run a report for Josh's WAR entries. This could help with updating the chart if it cannot wait until he returns. If you want me to update where I can from this, LMK.

**Josh is out until Monday. Can we wait for him or do we (the royal we) need to figure out his dates now?**
